Dear George:

Re: Blahnik Signs

Enclosed is the packet of information which I have given the Commissioners relating to the signs on the Blahniks' property. We do not believe that the letter dated January 25, 2006 from the Commissioners was specific to the Blahniks' property.

I have proposed that after you have had an opportunity to review this information, we have a meeting with the Department of Transportation, Lamar Advertising Company, my client and any other interested parties to determine what the Commissioners' decision is relating to the signs that were on the Blahniks' property.

Please give me a call for have Alex Beal give me a call after you have had an opportunity to familiarize yourself with this issue.

Very truly yours,

Lawrence D. Johnson
